*"Who are you, really?"
The puzzle of personality"*

Cambridge research professor
Brian Little analyzes and redefines
the threads of our personalities –
and suggests ways we can
transform ourselves.

Tuesday, Jan 30
5:00pm

"Is there a real you?"

Julian Baggini is a journalist
and philosopher who studies the
complexities of personal identity.

Participants of all ages are welcome
but anyone under the age of 18
will require a guardian to be present.
