INVITES YOU TO A

PRACTICE GROWTH SEMINAR

FEATURING TOWER LEADERSHIP'S CEO
ERIC J. MORIN

Discover how Tower Leadership's proven process can help you build the practice you've always wanted.

Learn how to reduce stress and creative impact. Spend less time in the chair and more time focused on doing the things you enjoy.

Top strategies to increase doctor income.

Foolproof methods to gain new patients.

How every dentist can spend more time with family.

How to dramatically reduce stress (... and it's NOT what you think!)

How any dentist can build a great team and reduce turnover.

Learn why almost every expert is wrong about the future of dentistry, and what you need to know to avoid the mistakes the vast majority of dentists will make.

ERIC MORIN is known in the industry for his unique practice-changing philosophy and strategies that allow business owners to significantly grow their practice. Eric's clients have doubled their practice revenue within one year of working with him.

Eric's average client pays off his/her personal home in 3-5 years and a multimillion dollar practice in seven years.
